RE: Certification of Support for Rural and Non-Rural High-Cost Carriers Pursuant to  
47 C.F.R. Sections 54.313-314, CC Docket Nos. 96-45 and 00-256

To the Filing Representatives:

The Louisiana Public Service Commission hereby certifies that, as outlined in the attached affidavits, all federal high cost support provided to rural and non-rural carriers in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended. This includes High Cost Loop (HCL) support, Local Switching Support (LSS), High Cost Model (HCM) support, and high cost support received pursuant to the purchase of exchanges.

Contained herein are lists of rural and non-rural carriers certified by the Louisiana Public Service Commission pursuant to sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), which require states to establish an annual certification process for rural and non-rural carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC), if known. Additionally, in support of the certification, attached are affidavits filed on behalf of the carriers.

Dear Ms. Gonzalez:

This certification is provided pursuant to 47 C.F.R. §§ 54.313 and 54.314. On behalf of Sprint Nextel Corporation ("Sprint Nextel"), I hereby certify, under penalty of perjury, that all high-cost universal service support provided to Sprint Nextel for the 2011 calendar year will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended, pursuant to Section 254(e) of the Telecommunications Act of 1996.

The Louisiana Public Service Commission ("LPSC") issued Order No. U-29954 on March 29, 2007 consolidating the previous eligible telecommunications carrier ("ETC") designations of Sprint (Order No. U-27509) and NPCR, Inc. (Order No. 27289) and expanding these existing designations. Sprint Nextel was subsequently certified as an ETC with the FCC and USAC. Sprint Nextel's eligibility to receive continued ETC support for the 2011 calendar year is dependent upon the Louisiana Public Service Commission ("Commission") providing re-certification of Sprint Nextel's eligibility to the Federal Communications Commission ("FCC") and the Universal Service Administrative Company ("USAC") on or before October 1, 2010. See 47 C.F.R. §§ 54.313(d)(3)(i) and 54.314(d)(1).

Accordingly, Sprint Nextel hereby requests that the Commission transmit a letter to the FCC and USAC to provide for the certification. Please reference SAC No. 279008 (Sprint) and 279006 (NPCR, Inc.) in the certification transmittal to USAC. The letter will need to be received by the FCC and USAC on or before October 1, 2010 to be effective.

**Re: High Cost Certification of Central Louisiana Cellular, LLC  
LPSC Docket No. S-31330**

Dear Ms. Gonzalez:

This certification is provided pursuant to 47 C.F.R. §§ 54.313 and 54.314. On behalf of **Central Louisiana Cellular, LLC**, I hereby certify under penalty of perjury that all high-cost universal service support provided to the company for the 2011 calendar year will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended, pursuant to Section 254(e) of the Telecommunications Act of 1996.

The Louisiana Public Service Commission ("LPSC") issued Order No. S-31330 on August 4, 2010, designating the company as an eligible telecommunications carrier ("ETC") in the State of Louisiana. The company was subsequently certified as an ETC with the FCC and USAC for the time period from the LPSC's order through the 2010 calendar year. The company's eligibility to receive continued ETC support for the 2011 calendar year is dependent upon the LPSC providing re-certification of the company's eligibility to the FCC and USAC on or before October 1, 2010. See 47 C.F.R. §§ 54.313(d)(3)(i) and 54.314(d). Accordingly, the company hereby requests that the LPSC transmit a letter to the FCC and USAC to provide for the certification. The letter will need to be received by the FCC and USAC on or before October 1, 2010 to be effective.

Thank you for your assistance in this matter. Should you have any questions, please do not hesitate to contact our General Counsel, Julia K. Tanner, at (703) 528-8852 or our counsel at Kean Miller, Gordon Polozola, at (225) 382-3440.
